

Hieroglyphics Assignment Directions

Use the key to translate your name from English into hieroglyphics. Do this on the paper given to you in class.

Step #1: Practice writing your name on one side of the paper.

Step #2: When ready, use the other side of the paper to complete your final copy.

Step #3: In the center of the paper write your first name in hieroglyphics. Below each letter, write the equivalent letter in English.

Step #4: Below where you wrote your first name, write your last name in hieroglyphics. Below each letter, write the equivalent letter in English.

Step #5: Go over or trace your hieroglyphics using colored pencils or markers.

Step #6: In each corner of your paper, draw an ancient Egyptian symbol. Next to (or below) the symbol, please identify the name of the symbol and briefly explain what the symbol represents. **The symbols in each corner should be different from one another.**
